

SUPERIOR PERFORMANCE IN A CONVENIENT BOTTLE

GAS TREATMENT

WITH XP100

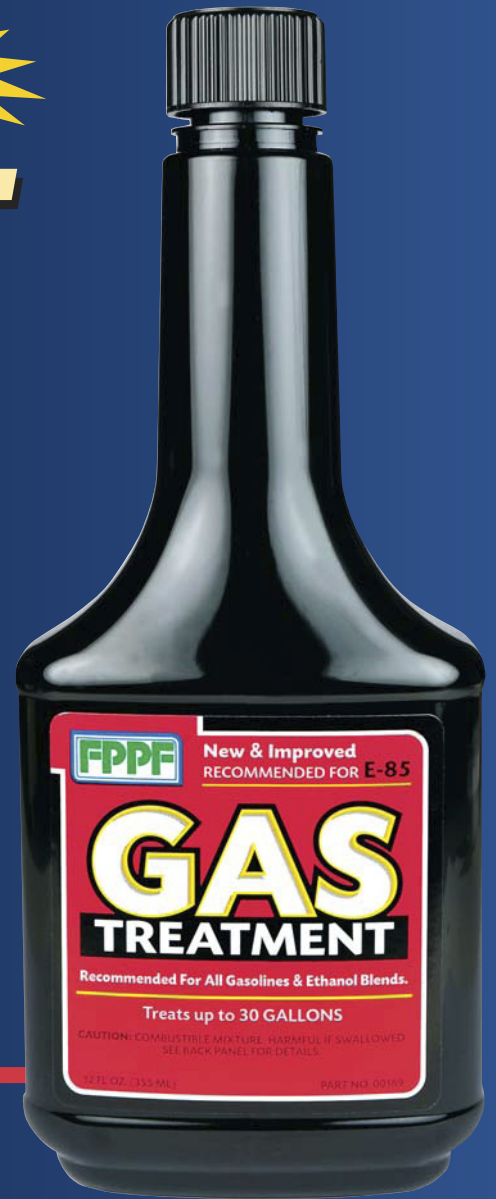

**FOR ALL GASOLINE AND ETHANOL BLENDS
RECOMMENDED FOR E-85**

FPPF's NEW GAS Treatment with XP100 is a highly concentrated fuel additive for use in all gasoline, ethanol, and ethanol/gasoline blends including E-85. This formula is unlike any other gasoline additive product on the market today.

FPPF's NEW GAS Treatment with XP100 helps prevent all the potential problems associated with ethanol and gas/ethanol blends. These problems include filter plugging, water build-up in fuel tanks, fuel deterioration and aging, and tank corrosion. This product is a result of extensive R&D and the latest advancements in chemical and fuel additive technology. It consists of a multitude of active ingredients sourced from around the world. It contains no inert compounds (100% active).

Product Benefits

- Totally absorbs water in all gasoline, ethanol/gasoline blends
- Controls the buildup of varnish, gum, and sludge in the entire fuel system
- Prevents corrosion in all fuels including ethanol and ethanol/gasoline blends
- Cleans fuel injectors and the entire fuel system
- Stabilizes fuel and reduces fuel oxidation
- Helps to reduce potential fuel/water phasing
- Improves fuel mileage in all vehicles using ethanol, gasoline, and/or ethanol/gasoline blends
- Reduces emissions and helps engine pollution control systems operate properly
- Increases engine efficiency and power
- Can be used in all gasoline engines including automotive, marine, gas heavy duty, and gasoline generators

*Saves you money

GAS TREATMENT

Product Data Sheet

FPPF GAS Treatment saves you money and prolongs the life of your engine.

FPPF GAS Treatment will not harm electronic fuel injection systems or engine sensors

DIRECTIONS FOR USE:
Add directly to fuel tank prior to filling to allow for proper mixing. Use as directed on the label.

PRODUCT CHARACTERISTICS:
Consult MSDS for specific information.

Packaging:

Part #	Description	Treats	Qty/Case	Case Weight
90189	12 ounce bottle	30 gallons	12	8 lbs.
00146P	5 gallon pail	1600 gallons	1	45 lbs.
00148	55 gallon drum	17,600 gallons	1	490 lbs.

SATISFACTION GUARANTEED OR YOUR MONEY BACK.
